Leeds City Schools—Beliefs

We believe that:

- Educating students is our highest priority.
- Respect for each individual is fundamental to teaching and learning.
- High standards and expectations shall be maintained through a system of accountability for all students, staff, and schools.
- All students can learn in different ways, at different rates and with preferential learning styles.
- Education/learning is shared responsibility and should take place in the home, at school and in the community.
- A safe and secure environment is essential for a productive and enriched life.
- Learning is a lifelong process that is essential for a productive and enriched life.
- All students shall have the opportunity to participate in courses and activities which enrich and enhance the whole child.
- Quality education requires quality staff, programs, facilities, equipment and technology
